INHALER

RENEWED SUBMISSION UNDER 37 CFR §1.42

Commissioner for Patents

Washington, D.C. 20231

Sir:

The present submission responds to the decision dated September 6, 2002, which refused status under 37 CFR §1.42, as the previously submitted declaration did not include the residence, citizenship, and post office address for the legal representatives of the deceased inventor, Nils Blomqvist.

Accordingly, there is submitted herewith a new declaration, which lists all of the inventors, and is duly executed by the legal representatives of the deceased inventor. It will be seen that the residence, citizenships, and post office address of the legal representatives, which was previously provided on the 37 CFR §1.76 supplemental application data sheet of June 1, 2002, now also appears on the instant declaration.

In view of the present renewed submission, as well as the previously filed declaration, it is believed that status

ÅSLIN et al. S.N. 10/018,242

under 37 CFR §1.42 may now be granted. Such grant is earnestly solicited.

Respectfully submitted,

YOUNG & THOMPSON
